COTC makes the following three guarantees to all students who will transition from the quarter system into the semester system:
1) No loss of academic progress; 2) No delay in time to degree completion/graduation; and 3) No increase in total tuition and fees expended for the degree system to the program.
If transitioning from the Quarter to the Semester system, please visit the COTC "Think Semesters" web page
(http://www.cotc.edu/ThinkSemesters/Pages/default.aspx)
regularly for updates and for important additional information.
Students should meet with their Academic Advisor to map out individual paths to their degree.
